

Impressions Shell

The next chapter, naturally.

Designed to provide the lightest and most natural symmetry following a lumpectomy or breast reconstruction.

Natural, Soft, Symmetry

Model No. 110
Sizes: S-XL

Introducing Impressions **Shell**

Do you desire a natural and seamless look after a lumpectomy or reconstruction?

Then, Impressions **Shell** is the perfect choice for you!

- Looks and feels natural
- Fits securely in your bra
- Fits intimately over breast tissue
- Does not restrict your active lifestyle
- Truly lightweight

The natural tapering blends seamlessly, creating an intimate fit.

Made from the unique, pure silicone of Impressions providing a soft and natural feel.

Integrated areola and nipple enhances and restores femininity.
