Sublime Arís

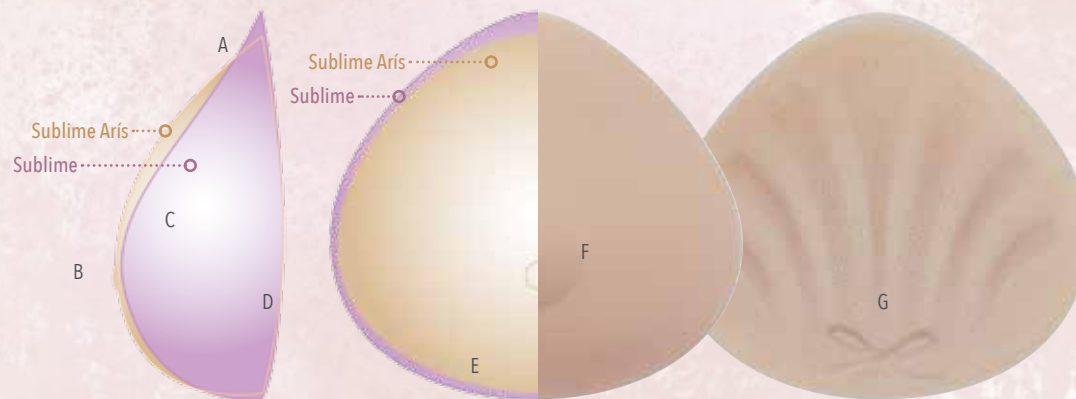

'Arís' (pronounced 'Areesh') means 'again' in Irish Gaelic. Sublime Arís is the softest, most comfortable breast form ever created. **So natural, it feels like you again.**

Melanie,
Sublime wearer

Introducing Sublime Arís. Developed in response to diverse fitting needs, Sublime Arís offers all the outstanding features of the original Sublime, but with the following modifications:

- ❖ Thinner skin-like outer layer that feels soft and gives a natural appearance (A)
- ❖ Fuller projection (B)
- ❖ Super soft middle layer that mimics the movement of natural breast tissue (C)
- ❖ Supportive back layer to maintain shape (D)
- ❖ Smaller base for an enhanced fit (E)
- ❖ A more subtle, hand embossed integrated nipple and areola (F)
- ❖ Engraved bow on the back (G)
