Impressions

Because first Impressions matter

Do you desire a breast form that

- actually looks and feels natural
- is truly lightweight,
- does not restrict your active lifestyle,
- breathes to keep you cooler, and
- fits intimately and securely in the bra?

Then, **Impressions** is the perfect choice for you!

- The **Impressions**' natural friction prevents shifting during wear, with no more readjusting
- Their design allows wear directly against the skin for the most intimate fit
- Made with 100% silicone, they will never leak
- The **Impressions** and **Impressions II** hold their shape when fitted, yet are still very supple to pass the hug test

The NEW **Impressions II** combines the best features of the **Impressions** breast form with these enhancements:

- Features a shallower profile based on the world's #1 selling breast form, Trulife's 471 Silk Triangle
- Made of 100% pure silicone, the **Impressions II** has a smoother, silkier surface
- New finely tapered edges provide an intimate and seamless fit. Bra straps can be loosened, and no gaping!
- Improved lightweight honeycomb design for enhanced durability and breathability

Impressions

Impressions and **Impressions II** are the most natural, lightest, and softest breast forms ever created, making them the greatest evolution in the history of Breastcare.

The most natural look and feel imaginable

Natural contours provide an intimate fit

Integrated nipple and areola enhances and restores femininity

Honeycomb core ensures optimum breathability

Natural: The unique blend of pure silicone used in Impressions provides the softest and smoothest feel imaginable.

Lightweight: As the lightest breast form available, Impressions are perfectly balanced to suit every lifestyle.

Comfort: The 3D profile of Impressions contours perfectly in the bra and moulds beautifully to each individual.
